Northern States Power Company
Fuel Cost Adjustment Variance
Approval

Case No. PU-19-172

NOTICE OF OPPORTUNITY FOR HEARING
May 29, 2019

On May 6, 2019, Northern States Power Company (NSP) requested a variance to the Fuel Cost Rider (FCR) in order to pass to customers through the FCR a financial settlement from General Electric related to a turbine failure at NSP's Sherco 3 generator. The variance is requested under North Dakota Administrative Code section 69-02-01-11 and 69-09-02-39.

The issues to be considered in this matter are:

1. Whether the proposed pass-through amount is just and reasonable.
2. Whether the requested FCR variance should be granted.

Those interested are invited to comment on the application in writing. Persons desiring a hearing must file a written request identifying their interest in the proceeding and the reasons for requesting a hearing. **Comments and requests for hearings must be received by July 8, 2019.** If deemed appropriate, the Commission can determine the matter without a hearing.
