Re: ND One-Call Complaint
Case No. PU-19-187 – 2906 3rd St N, Fargo, ND

Dear Victor:

In response to your letter dated May 24, 2019, regarding the above referenced case, and as per our conversation, on May 31, 2019, B. G. Amundson Construction, Inc, was doing curb, sidewalks and ADA work in approximately 200 locations in Fargo and Moorhead in the summer of 2018.

We did clip four ¾” gas lines throughout the 80 days we were on site. I do not think we paid repair bills on any of them as the repair crew from Barnesville, Minnesota, could see that three of them were not located. However, we did drive a line pin in one of them that was located. In all of the breaks, the lines were right under the removed concrete. In regards to the line on 3rd Street, that line was in the asphalt removed by Border States Paving, Inc.

Very truly yours,

Burton Amundson
