N.D.C.C. § 38-14.1-19(3)**

On September 25, 2019, Casey and Julie Voigt, by and through their counsel, filed a request to inspect Coyote Creek Mining Company, LLC (“CCMC”) pursuant to N.D.C.C. § 38-14.1-19(3), which provides that “[u]pon request of any party to the informal conference, the commission may arrange with the applicant access by the requesting party to the proposed mining area for the purpose of gathering information relative to such conference.” The Voigts’ request is GRANTED. The PSC and CCMC shall arrange an inspection for the Voigts of CCMC’s proposed reclamation variance areas number one and number two and any other locations upon which CCMC has restored subsoil, topsoil, or conducted any re-seeding or planting. This order does not require attendance of PSC staff at the inspection, but their presence is encouraged if feasible.
