Name of Company, Corporation, Partnership, or Individual <b>Coyote Creek Mining Company</b>	Permit Number <b>NACC-1302</b>	Revision Number <b>9</b>	
Address <b>6502 17th Street SW</b>	City <b>Zap</b>	State <b>ND</b>	Zip Code <b>58580</b>

The above named hereby makes application for the above Revision Number to: (include a brief description of the surface coal mining and reclamation operation being revised.)

This revision serves as Renewal 1. Updates to legal information, fish and wildlife resources, operations, variance areas, coal production, pit layout and facilities, and revegetation procedures were made, as well as updates to the worst case bond. Also, the post-mining topography was revised to better reflect mining progression during the first term of the permit and allow for the preservation of woodlands, slope reductions and the natural shift in overburden.

Attached to this Permit Revision Application are a narrative describing the proposed permit revision, reasons for requesting the revision, and appropriate maps, cross-sections, graphs, construction details, revised reclamation plans and other data which demonstrate compliance with Chapter 38-14.1 of the North Dakota Century Code, Article 69-05.2 of the North Dakota Administrative Code, and the permit conditions of the approved permit. If an incidental boundary revision involving an acreage adjustment is being requested as part of the permit revision application, the following information shall be included (attach a copy of a metes and bounds description):
