ND PSC Commissioners,

I am modifying my request for a formal meeting.

If my Formal Citizen Complaint Requested Relief is not implemented by the PSC, my request is for a formal meeting, or an informal meeting, where I am allowed to participate in the discussion.

Updates to all relevant docs are at <https://Beulah.FoxPing.com/>.

Hi Dean,

One day has not been enough time for me to thoroughly review the docs you attached (received yesterday evening) . However, the attached two docs have my initial review comments. Please forward this to the Commissioners before tomorrow's meeting.

The 7 billion gallons of water comes from the ND Dept of Health. If this is incorrect, everything else in the Formal Citizen Complaint is correct.

The bottom line is that NAC did disturb the land adjacent to the permit area land being mined. See <https://Beulah.FoxPing.com/> for details, including links to relevant ND laws.

Please forward this to the PSC Commissioners before tomorrow's 10am meeting. Thanks!

Clyde
