Good Morning Holly, Deedra, and Keith,

I have attached copies of the Intrastate TRP, Post True-up Access Recovery Charge (ARC) report, USAC Report with the Post True-up CAF ICC amount, the associated certifications that were submitted to NECA, as well as the Local Rate Floor Data Certification. NECA will be filing the CAF-ICC information with the FCC and USAC. The ARC rates that are attached will be effective in July 2019.

According to Sections 54.304(d)(1) of the FCC rules, you will need to file copies of these documents supporting the CAF/ICC, and ARC filings with your state commission. NECA will also be filing your Local Rate Floor information with USAC and the FCC, therefore we believe copies of that information should also be filed with the state commission. Because your state commission may not have a process established to receive these documents and to ensure that the data will receive confidential treatment (if your company desires), you may want to contact your legal counsel for assistance with making this filing.

For North Dakota, copies of these filings should be sent to the North Dakota Public Service Commission using the information below, same procedures as last year.

The email address is ndpsc@nd.gov
Please follow up with a hardcopy mailed to:

North Dakota Public Service Commission
Darrell Nitschke, Executive Secretary
600 E. Boulevard, Dept. 408
Bismarck, ND 58505-0480

Please let me know if you have any questions. Thank you.
