Brief Description of Month's Activities
<b>Bear Creek II:</b> The Bear Creek II facility was mechanically completed on October 15, 2021. The facility has been turned over to the operations group and they are going through commissioning efforts and begun processing inlet field gas

Significant Work Activity for Next Month
<b>Bear Creek II:</b> Expect to be demobilized from the plant by the end of November. Some addition site grading work and hydroseed will take place after the winter season.
