Mr. Dawson,

Denbury previously agreed to provide its proposed Findings of Fact, Conclusions of Law and Order and late filed exhibits by the close of business on February 27, 2020. It is taking Denbury's consultant longer than anticipated to gather and evaluate the information necessary for the late filed exhibit pertaining to the tree and shrub removal within the proposed corridor. As a result, Denbury respectfully requests an extension of time until the close of business on March 13, 2020 to submit its proposed FOF/COL/Order and late filed exhibits. I have spoken with Mr. Armstrong regarding the extension and it is my understanding that he has no objection.
