Re: Case No. PU-19-302
Basin Electric Power Cooperative
230 kV Leland Olds Station to Logan
Siting Exclusion Certification

Dear Mr. Solie:

On September 10, 2019 I sent a letter acknowledging Basin's written certification under NDCC 49-22-03(3) filed August 26, 2019 regarding structure changes on the Leland Olds Station to Logan 230 kV transmission line. That letter had an incorrect case caption. Therefore, I am sending this corrected letter for your records.

Thank you for your August 26, 2019 letter notifying the Commission of Basin Electric's intent to replace structures on the Leland Olds Station to Logan 230 kV transmission line to maintain NESC clearances.

This letter is to acknowledge that the Commission has received Basin Electric's filing of written certifications under North Dakota Century Code section 49-22-03(3) for the project.

Best Regards,

Jerry Lein
