Public Service Commission
Hanson's Concrete Masonry &
Landscaping, LLC
Damage Prevention Enforcement

Case No. PU-19-303

Public Service Commission,)	
Complainant,)	
)	
vs.)	
)	Complaint
Hanson's Concrete Masonry & Landscaping, LLC,)	
Respondent.)	

The Public Service Commission of North Dakota (Commission), by and through Advocacy Staff (Staff), for its complaint against Hanson's Concrete Masonry & Landscaping, LLC, alleges and shows the following:

I

Hanson's Concrete Masonry & Landscaping, LLC (Hanson's) is a registered North Dakota limited liability company with offices located at 205 Park Ave W, Watford City, ND 58854-3265.

II

Montana-Dakota Utilities Co. (MDU) is a foreign corporation authorized to do business in North Dakota.

III

North Dakota Century Code (N.D.C.C.) 49-23-04(1) provides:

Except in an emergency, an excavator shall contact the notification center and provide an excavation or location notice before beginning any excavation. An excavation begins the first time excavation occurs in an area that was not previously identified by the excavator in an excavation notice.

North Dakota Century Code (N.D.C.C.) 28-32-22 provides:

Unless otherwise prohibited by specific statute or rule, informal disposition may be made of any adjudicative proceeding, or any part or issue thereof, by stipulation, settlement, waiver of hearing, consent order, default, alternative dispute resolution, or other informal disposition, subject to agency approval. Any administrative agency may adopt rules of practice or procedure for informal disposition if such rules do not substantially prejudice the rights of any party. Such rules may establish procedures for converting an administrative matter from one type of proceeding to another type of proceeding.

North Dakota Century Code (N.D.C.C.) 49-07-01.1 provides:

Any person who violates any statute, commission order, or commission rule which applies to matters within the authority of the commission under chapters 8-08, 8-09, 8-10, 24-09, 32-25, and 51-05.1, titles 60 and 64, and title 49 except for chapters 49-22 and 49-23, shall, in addition to any other penalty provided, be subject to a civil penalty of not to exceed five thousand dollars. A violation occurring under chapter 49-23, in addition to any other penalty, is subject to a civil penalty not to exceed twenty-five thousand dollars. The commission shall develop policies for the assessment of penalties under chapter 49-23 which will take into consideration the severity of damages and the conduct of the offender. The civil penalty may be compromised by the commission. The amount of the penalty when finally determined or agreed upon in compromise, if not paid, may be recovered in a civil action in the courts of this state.

North Dakota Administrative Code section 69-02-04-05 provides:

In any proceeding in which the commission is authorized to act after opportunity for hearing, opportunity is afforded by service of notice fixing a reasonable period of time within which any person desiring to be heard may file a protest or request for a hearing. If a protest or request for hearing is not filed within the time provided, the commission may dispose of the matter on the basis of the pleadings, other submittals, and the studies and recommendations of the staff. A party not requesting oral hearing in the party's pleading is deemed to have waived a hearing for the purpose of the decision, but not for the purpose of applying for rehearing with respect to

the decision. If a person requests a hearing but does not show good cause, the commission may determine the matter without a hearing.

IV

On August 27, 2019, the Commission received a ND One-Call Complaint from Paul Riely, Field Operations Supervisor for MDU. The complaint alleges a violation by Hanson's of N.D.C.C. 49-23-04(1) of the One-Call Excavation Notice System by failing to provide an excavation notice to the NDOC Notification Center at least forty-eight hours before beginning its excavation.

V

On August 28, 2019, Commission staff issued a letter informing Hanson's of MDU's complaint filing, and requested a response by September 12, 2019, attached as Exhibit 1. As of June, 23, 2020, the commission had not received a response, despite having left voicemails for Hanson's on December 2, 2019 and February 26, 2020.

VI

As alleged by MDU's complaint, on August 12, 2019 at approximately 12:52 pm, Hanson's began an excavation as defined in N.C.C.C. 49-23-01(7) while performing landscaping at 109 3rd st SW, Watford City, North Dakota. As a result of this excavation, damage was caused to MDU's 1" steel natural gas service line. MDU alleges that the cost to repair its facilities was approximately \$2880.58.

VII

Based on its investigation Staff determined that Hanson's personnel provided an excavation notice to the North Dakota One Call Notification Center (NDOC) on August 12, 2019 at 10:35 am, with work to begin in the area cited in the complaint to begin on August 15, 2019. The NDOC assigned locate ticket number 19103114 to the excavation notice, which indicates the work was landscaping, attached as Exhibit 2. Under N.D.C.C. 49-23-04(3)(g), the expiration date for the locate ticket is September 5, 2019. On August 12, 2019 at approximately 12:52 pm, Hanson's personnel began an excavation to complete landscaping work. Hanson's notified MDU of the damage on August 12, 2019. Due to the location of the damage and resulting release of gas, power was shut off to the area resulting in 8 customers were affected with an outage of 3 hours.

Based on its investigation, Staff concluded that there was no agreement between Hanson's and MDU under N.D.C.C. 49-23-04(1) prior to excavation that would relieve Hanson's of its obligation to provide excavation notice at least forty-eight hours before the excavation.

Based on its investigation, Staff concluded that the excavation was not being made in a time of emergency under N.D.C.C. 49-23-04(4), allowing the excavator to give notification after the start of the excavation.

VIII

Hanson's violated N.D.C.C. 49-23-04(1) by failing to provide an excavation notice to the NDOC Notification Center at least forty-eight hours before beginning its excavation.

IX

The Commission Damage Prevention Plan provides:

D PROPOSED CIVIL PENALTIES:

1. The following criteria must be used by Commission staff to determine if a civil penalty should be proposed when filing a formal complaint:
 - a. The nature, circumstances and severity of the complaint;
 - b. The degree of suspected fault on the part of the respondent;
 - c. The respondent's history of prior violations or complaints;
 - d. The respondent's ability to pay;
 - e. Any good faith effort by the respondent in attempting to achieve compliance; and
 - f. The effect the penalty may have on the respondent's ability to continue in business.

X

The Respondent must serve an answer to this complaint upon the Complainant and the Commission within twenty days after service of the complaint, or the Commission may deem the complaint to be admitted. Answers must be served in the manner allowed for service under the North Dakota Rules of Civil Procedure.

Prayer for Relief

Based on the foregoing, Staff seeks the following relief:

1. That the Commission find Hanson's Concrete Masonry & Landscaping, LLC in violation of N.D.C.C. chapter 49-23 for failing to comply with the One Call requirements enumerated in North Dakota Century Code section 49-23-04(1).
2. That the Commission impose an appropriate civil penalty up to \$25,000, but at least \$1500.
3. Such other relief that the Commission finds just and proper.

Dated this 23rd day of June, 2020.

Re: ND One-Call Excavation Notice System: North Dakota Century Code Chapter 49-23

Dear Darby:

Enclosed is a copy of a ND One-Call Complaint, against Hanson's Concrete Masonry & Landscaping, LLC, received by the North Dakota Public Service Commission on August 27, 2019, from Paul Riely at Montana Dakota Utilities, of Williston, ND, Case Number PU-19-303. The location of the damage identified in the complaint is approximately 109 3rd St SW, Watford City, ND.

I am sending you this information so that you are aware of the complaint and may respond with information concerning the complaint. **Please respond to Executive Secretary, North Dakota Public Service Commission, 600 East Boulevard Avenue, Dept 408, Bismarck, ND 58505-0480 by September 12, 2019**, with your written account of the event, including the applicable One Call locate ticket number for work performed at the address indicated.

Your response and the ND One-Call Complaint will be reviewed to determine whether there may be a violation of the One-Call Excavation Notice System law.

If I do not receive a response by the date noted, I will determine whether there was a violation, without your side of the story, based on the facts contained in this complaint. If I conclude a violation did occur I will file a formal complaint against Hanson's Concrete Masonry & Landscaping, LLC with the Commission, which may result in a penalty up to \$25,000 per violation as approved by the North Dakota Legislative Assembly in 2013 under North Dakota Century Code Section 49-07-01.1.

Please contact me at 701-328-3397 or at vschock@nd.gov with any questions regarding this correspondence.

Sincerely,

Victor Schock

Location of Violation:
109 3rd St SW, Watford City, ND

Date and Time of Violation:
on or about 12:52 pm on 12 August 2019

Description (summarize the observations on which you rely to allege the violation) *If more space is required, please provide the description on a separate page.*

Contractor was digging at the above noted address. They came in contact with a 1" steel service line damaging it underneath a concrete patio adjacent to a structure. This resulted in a uncontrolled release of natural gas that migrated into the structure. Upon investigation 45% gas was found in the interior of the structure. The structure was evacuated, and the power was shut off the the area, causing an electrical interruption to approximately 8 customers for approximately 3 hours, with the exception of the structure at the damage location which was without power for 12 hours. The Fire Department was on scene, and aided in ventilating the structure. The gas escaped the system for approximately 37 minutes, while the steel service was safely retired at the main line. Montana-Dakota Utilities had personnel on site monitoring the area, and ground saturation levels for approximately 14 hours. At 2:00 AM on 13 August, the Montana-Dakota Utilities personnel were released as the scene was made safe.

PART D – DAMAGE

Fatalities 0	Injuries 0	In-patient Hospitalization 0
Underground facility type(s) and Operator(s) affected: 1" steel Natural Gas Service Line		
Estimated Value of Damage (damage as defined under NDCC Chapter 49-23): \$ \$2880.58	Number of Customers Affected 8	
Other impact of event:
