**RE: PU-19-308 and PU-10-120: Hess Tioga Gas Plant LLC
Tioga Gas Plant Debottlenecking Project**

Dear Mr. Fahn,

In accordance with Provisions No.2 and No.7 of case number PU-09-120, Hess Tioga Gas Plant LLC (Hess TGP) is providing this letter to notify the Commission that Hess has selected a general contractor (Delta Constructors) for the project. Delta Constructors will be mobilizing to the TGP the week of November 18, 2019 to commence construction activities. Current project work will consist of the installation of equipment pad foundations and piping rack helical or concrete pier foundations. Attached is Plot Plan showing the plant expansion work area and existing plant layout.

A project milestone calendar and additional engineering design drawings specific to this debottlenecking project have also been included with this letter for reference. The additional engineering drawings are being provided as required by Provision No.24 of case PU-10-120. Weekly construction progress reports will be prepared and submitted in accordance with Provision No.7.

If you have any questions or need any additional information, please contact me at (701) 420 -7020.

Sincerely,

Vicky Sund
Regulatory Manager, Bakken
