**RE: Aurora Wind Project, LLC
Aurora Wind Project – Williams County
Decommissioning Plan and Cost
Case No. PU-19-318**

Dear Mr. Kahl:

On February 26, 2020, Aurora Wind Project, LLC (“Aurora”) filed a Letter of Credit as construction financial assurance for the Aurora Wind Project in Williams County, ND. The Letter of Credit replaced the previously filed Parent Company Guarantee, originally filed on September 16, 2019. The Letter of Credit was filed to replace the Parent Company Guarantee when Aurora determined that its parent company, ENEL S.p.A. (“ENEL”), did not meet one of the three requirements for providing a parent guarantee.

ENEL has requested that Aurora secure a letter of release of the Parent Company Guarantee. Enclosed is a proposed Letter of Release, which is based on the letter of release form provided as Schedule 2 of the Parent Company Guarantee. Aurora requests that the Letter of Release be executed and returned to me.

If you have any questions, please let me know.

Sincerely,

MOLLIE M. SMITH
