Staff,

Boomerang Wireless, LLC d/b/a enTouch Wireless (Boomerang) was granted ETC authority in Case No. PU-13-203 on October 9, 2013. Pursuant to Item 4, as listed in the ordering paragraph of Boomerang's ETC Granting Order, Boomerang is required to:

"...file at least annually or more often if requested by the Public Service Commission, a complete list of its customers and waivers, including North Dakota Department of Human Services' Form SFN 1059, Authorization for Release of Information 449-55-05, for each customer on the list."

In compliance, attached is a complete list of Boomerang Lifeline subscribers who were eligible for service as of August 31, 2019. Please note that Boomerang provides Lifeline service predominantly on tribal lands. As a reminder, Boomerang has a waiver in place. For subscribers marked as Budget we do not need to provide full SSNs.

The attached exile file is password protected and I will email Mr. Schock.

A hard copy has been mailed to the Commission. If you have any questions regarding this filing, please contact Julia Redman Carter at (319) 294-6080 or regulatory@entouchwireless.com.

Thanks,
