RE: Case No. PU-19-369
Whiting Oil and Gas Corporation
Robinson Lake Oil Conditioning – Mountrail County
Siting Application

The Public Service Commission Staff is reviewing Whiting Oil and Gas Corporation's (Whiting) Application. Staff requests Whiting supplement the application as soon as possible with the following:

1. Supplement the Application to include the following GIS layers:
 - i. Intermittent Stream
 - ii. Perennial Stream
 - iii. State Highway
 - iv. Whooping Crane Sighting
 - v. Wolf Sighting
 - vi. Piping Plover Critical Habitat
 - vii. Dakota Skipper
 - viii. All four Whooping Crane Migration Corridors
2. An updated 8.5x11" black and white map suitable for publication
3. Describe any significant adverse effects, if any, resulting from the location, construction, and operation of the facility in the Project Area as they relate to impacts upon light-sensitive land uses, and describe how such effects will be managed and maintained at an acceptable minimum.
4. Provide any agency correspondence that has been received since the Application filing.
5. Provide a table showing the status of the issuance of each required permit, and the timeline to obtain each.
6. File with the Commission the project control documents listed below. For those not complete, provide the status, the completion date(s), and any outstanding issue(s) that prevent completion.
 - a. Emergency procedures plan
 - b. 10-year spill history report

5 **PU-19-369** Filed: 12/27/2019 Pages: 2
Request for additional information

- c. Construction plan
- d. Erosion control plan
- e. Storm water pollution prevention plan
- f. Spill prevention and control plan
- g. Weed management plan, and all county specific weed management plan(s)
- h. Dust control plan
- i. Environmental training plan
