Also on December 5, 2019, in Case No. PU-19-377, Northern Divide Wind, LLC filed a combined application for a corridor certificate and a route permit to construct approximately 41 miles of 345 kV electric transmission line and associated facilities extending from the 200 MW Northern Divide Wind Energy Center in Burke County to Basin Electric's Tande Substation in Mountrail County, North Dakota, also as shown on the attached map.

Believing that there will be no prejudice to the rights of the parties or the public interest, and finding the cases involve similar questions of law and fact, the Commission is consolidating these cases for hearing under North Dakota Admin. Code section 69-02-04-04.

The issues to be considered are:

1. Will the location and operation of the proposed facilities produce minimal adverse effects on the environment and upon the welfare of the citizens of North Dakota?
2. Are the proposed facilities compatible with the environmental preservation and the efficient use of resources?
3. Will the proposed facility locations minimize adverse human and environmental impact while ensuring continuing system reliability and integrity and ensuring that energy needs are met and fulfilled in an orderly and timely fashion?
