RE: Larry M. Kroshus  
Auctioneer License Cancellation

On November 29, 2019, the Commission was notified that the auctioneer bond issued to Larry M. Kroshus, Richville, Minnesota, was cancelled effective September 13, 2019.

On December 10, 2019, the Commission received a letter from Larry M. Kroshus informing the Commission that he has not conducted any auctions in North Dakota in the 2019 calendar year and asking the Commission to cancel his auctioneer license effective September 12, 2019.

I recommend that the Commission issue an order cancelling the auctioneer license issued to Larry M. Kroshus. A corresponding motion and order are attached.
