Re: Non-voluntary Disconnect Report for May 2020.

Montana-Dakota Utilities Co. herewith electronically submits the Non-Voluntary Disconnect Report for May 2020. There were no non-voluntary disconnects during May 2020.

In March 2020, Montana-Dakota instituted certain measures to help protect employees from exposure to COVID-19 and to curb the potential spread of the virus in customer homes and facilities, including suspending customer disconnections of service for non-payment. That measure will be in effect until further notice.

Please contact me at (701) 222-7855 or travis.jacobson@mdu.com if you have questions regarding this filing.

Sincerely,
