RE: Case No. PU-20-018  
ONEOK Bakken Pipeline, L.L.C.  
Pump Station Additions – McKenzie & Dunn Counties  
Siting Application

The Public Service Commission Staff requests ONEOK's supplement its application as soon as possible with the following:

1. What is the anticipated time schedule for the following items?:
  - a. Obtaining a certification of corridor compatibility
  - b. Obtaining a route permit
  - c. Complete right-of-way acquisition
  - d. Testing operations
  - e. Commencing operations
2. Please discuss the existing plans of state or local government, and private entities for other developments at or in the vicinity of the proposed corridor or route?
3. Please provide the chairman of the board of county commissioners for McKenzie and Dunn counties.
4. Please discuss the following benefits to be considered under policy criteria.
  - a. Training and utilization of available labor in this state for the general and specialized skills required.
  - b. Economies of construction and operation.
  - c. Use of citizen coordination meetings.
  - d. A commitment of a portion of the energy produced for use in this state.
  - e. Labor relations.
  - f. The coordination of facilities.
