Siting Application

Case No. PU-20-018

NOTIFICATION OF APPLICATION

February 21, 2020

On January 10, 2020, ONEOK Bakken Pipeline, L.L.C. filed a combined application with the Public Service Commission to amended Certificate of Corridor Compatibility No. 184 and Route Permit No. 196 for the addition of two pump stations to its existing Bear Creek NGL Pipeline. Pump station 1 will be located in the Southwest 1/4 of Section 29, Township 149 North, Range 98 West, in McKenzie County, North Dakota, and will consist of two 2,000 horsepower electrically driven motors and pumps. Pump station 2 will be located in the Southwest 1/4 of Section 11, Township 147 North, Range 97 West, in Dunn County, North Dakota, and will consist of three 2,000 horsepower electrically driven motors and pumps, which will allow for pipeline transportation of up to 80,000 total barrels of natural gas liquids per day. A map showing the pipeline location is attached. The application may be reviewed online at the following web link:

The Public Service Commission may not schedule a public hearing sooner than forty-five days from the date this notification is sent by mail or electronic mail. The Commission will issue a Notice of Hearing setting the hearing date.

Under North Dakota Century Code section 49-22-16(2)(d), political subdivisions shall provide a listing to the Public Service Commission of all local land use, zoning, or building rules, regulations or ordinances. The list of requirements must be filed at least ten days before the Commission hearing or the requirements are superseded and preempted.
