In re: ONEOK Bakken Pipeline, L.L.C.
Pump Station Additions
Dunn & McKenzie Counties
Case No. PU-20-018
Our File No. 072591-000006

Dear Mr. Kahl:

On March 30, 2020, the Commission continued the informal hearing in the above-captioned matter until further scheduling could be determined (Docket No. 19). ONEOK Bakken Pipeline, L.L.C. ("ONEOK") is prepared to move forward with the proposed project at this time. To the extent that the Commission would still like an informal hearing prior to approving the project, ONEOK respectfully requests that the hearing be set for the earliest possible date available to the Commission and ONEOK.

Please feel free to contact me if you have any questions. Thank you.

Sincerely,

Wade C. Mann
