Bond Release 5, Permit BNCR-9401
Application

Case No. RC-20-78

MOTION

August 18, 2021

I move the Commission approve Bond Release No. 5 to Surface Coal Mining Permit No. BNCR-9401, held by BNI Coal, Ltd. for the Center Mine, to release all reclamation liabilities on 43.60 acres located in portions of Sections 5 and 8, T141N, R83W, Oliver County. No Monetary release is being requested since the current bond amount is based on the worst-case reclamation condition for Permit BNCR-9401. The release will become effective September 17, 2021, unless a formal hearing is requested, in BNI Coal, Ltd., Bond Release 5, Permit BNCR-9401, Application, PSC Case No. RC-20-78.
