

SANDERSON GAS PLANT NDPSC PRE-CONSTRUCTION CONFERENCE

Meeting Minutes

5/12/20

1. Meeting Info

Date: 05/12/20

Time: 9:00am MST / 10:00am CST

Location: Call-in

Attendees:

OE2: Andrew Perdue, Will Sullivan, Mel Palmer

NDPSC: Adam Renfandt

NDPSC pre-construction conference for the B. Sanderson Gas Processing Plant to be located in Williams County, ND.

2. Meeting Notes

Conference confirmed review of Outrigger (OE2) certification regarding order provisions set forth by the North Dakota Public Service Commission.

OE2 to provide monthly progress reports of construction status and activities for the prior month. The progress report shall include construction summary, % completion of construction, accident/incident reports (if applicable), and any other significant construction updates. The progress report to be submitted to the following at the beginning of each month:

- ndpsc@nd.gov
- arenfandt@nd.gov

Additional review of item 36 involving modification of energy conversion facility or energy conversion site plan. No items of concern discussed.

PSC inspection involves a single post-construction inspection of as-built & reclamation items inside & outside of the facility.

Acknowledgement of compliance for the Tree & Shrub Mitigation Specifications received with the certification notice.
