Dear Mr. Kahl:

When CenturyLink and Qwest merged in 2011, CenturyLink agreed that if it had plans to replace or integrate a Qwest Operational Support System, it would notify the FCC, affected states, and affected wholesale customers. Enclosed is the notice that was filed with the FCC on February 25, 2020, along with the proposed Transition Plan. As mentioned in the attached notice, CenturyLink is actively seeking input from affected wholesale local service customers.

Please do not hesitate to contact me should you have questions.

Sincerely,

/s/ Andrew R. Schriener
