MOTION FOR ORDER OF DEFAULT

Public Service Commission Advocacy Staff (“Advocacy Staff”) respectfully seeks an order in default against Respondent, NC3, LLC. In support of the motion, Advocacy Staff states the following:

MEMORANDUM

Pursuant to N.D.C.C. § 28-32-21(e) and N.D. Admin. Code § 69-02-02-03(1), a Formal Complaint “may inform the respondent that an answer to the complaint must be served upon the complainant and the agency with which the complaint is filed within twenty days after service of the complaint, or the agency may deem the complaint to be admitted.” On September 25, 2020, NC3, LLC received the Formal Complaint filed with the Commission via certified mail. NC3, LLC failed to respond to the Formal Complaint within the time allotted under N.D.C.C. § 28-32-21(e). Having failed to answer the complaint, the Commission may deem the Formal Complaint to be admitted by NC3, LLC and “enter an order in default as the facts and law may warrant.” N.D.C.C. § 28-32-21(e).

BACKGROUND

On March 2, 2020, the Commission received a ND One-Call Complaint from Brian Reilly with Walsh Water Users, Inc. The complaint alleges a violation by NC3, LLC of North Dakota Century Code section 49-23-04(1) of the One-Call Excavation Notice System by failing to contact the notification center and provide an excavation or location notice before beginning any excavation. *See Attached ND One-Call Complaint.* On March 12, 2020, Commission staff issued a letter informing NC3, LLC of Walsh Water Users, Inc's complaint filing, and requested a response by March 26, 2020. Having received no response to the letter, staff was able to contact NC3, LLC by email on September 3, 2020. On September 16, 2020 NC3, LLC filed a response to the complaint. The response did not address the incident cited in this case, but rather addressed an incident in case PU-20-95. On September 9, 2020 the Commission appointed Advocacy Staff to the case effective August 28, 2020.

On August 31, 2020, based on its investigation, Advocacy Staff filed a Formal Complaint alleging NC3, LLC violated N.D.C.C. § 49-23-04(1) by failing to contact the notification center and provide an excavation or location notice before beginning any excavation. *See Attached Formal Complaint.* On September 23, 2020, the Commission found the Formal Complaint stated a *prima facie* case. Service of the Formal Complaint was initiated on September 24, 2020 via certified mail by Geralyn R. Schmaltz to NC3, LLC, 120 West Sweet Avenue, Bismarck, ND 58504 (Cert. No. 7019 2280 0000 0692 7764). A return receipt was signed by Alison Weichel on September 25, 2020. *See Attached Return Ticket.*

In Section X of the Formal Complaint, NC3, LLC was informed that “[t]he respondent must serve an answer to this complaint upon the Complainant and the Commission within twenty days after service of the complaint, or the Commission may deem the complaint to be admitted.” Having received no answer to the Formal Complaint by October 15, 2020, the Commission may

deem the Formal Complaint to be admitted and enter an Order of Default pursuant to N.D.C.C. § 28-32-21(e). As of January 21, 2021, NC3, LLC has not responded and has not responded to any attempt by Advocacy Staff to communicate.

CONCLUSION

For these reasons, Advocacy Staff respectfully requests the Public Service Commission enter an Order of Default against NC3, LLC, impose an appropriate civil penalty up to \$25,000, but at least \$1000, and such other relief that the Commission finds just and proper.

Dated: January 21, 2021

Complaint

The Public Service Commission of North Dakota (Commission), by and through Advocacy Staff (Staff), for its complaint against NC3, LLC, alleges and shows the following:

I

NC3, LLC (NC3) is a foreign corporation with principal offices located at 44926 State 92, Clearbrook, MN 56634-4210, and a registered agent address of C T Corporation System, 120 W Sweet Ave, Bismarck, ND 58504.

II

Walsh Water Users, Inc. (Walsh) is a registered North Dakota Non-profit Corporation authorized to do business in North Dakota.

III

North Dakota Century Code (N.D.C.C.) 49-23-04(1) provides:

Except in an emergency, an excavator shall contact the notification center and provide an excavation or location notice before beginning any excavation. An excavation begins the first time excavation occurs in an area that was not previously identified by the excavator in an excavation notice.

North Dakota Century Code (N.D.C.C.) 28-32-22 provides:

Unless otherwise prohibited by specific statute or rule, informal disposition may be made of any adjudicative proceeding, or any part or issue thereof, by stipulation, settlement, waiver of hearing, consent order, default, alternative dispute resolution, or other informal disposition, subject to agency approval. Any administrative agency may adopt rules of practice or procedure for informal disposition if such rules do not substantially prejudice the rights of any party. Such rules may establish procedures for converting an administrative matter from one type of proceeding to another type of proceeding.

North Dakota Century Code (N.D.C.C.) 49-07-01.1 provides:

Any person who violates any statute, commission order, or commission rule which applies to matters within the authority of the commission under chapters 8-08, 8-09, 8-10, 24-09, 32-25, and 51-05.1, titles 60 and 64, and title 49 except for chapters 49-22 and 49-23, shall, in addition to any other penalty provided, be subject to a civil penalty of not to exceed five thousand dollars. A violation occurring under chapter 49-23, in addition to any other penalty, is subject to a civil penalty not to exceed twenty-five thousand dollars. The commission shall develop policies for the assessment of penalties under chapter 49-23 which will take into consideration the severity of damages and the conduct of the offender. The civil penalty may be compromised by the commission. The amount of the penalty when finally determined or agreed upon in compromise, if not paid, may be recovered in a civil action in the courts of this state.

North Dakota Administrative Code section 69-02-04-05 provides:

In any proceeding in which the commission is authorized to act after opportunity for hearing, opportunity is afforded by service of notice fixing a reasonable period of time within which any person desiring to be heard may file a protest or request for a hearing. If a protest or request for hearing is not filed within the time provided, the commission may dispose of the matter on the basis of the pleadings, other submittals, and the studies and recommendations of the staff. A party not requesting oral hearing in the party's pleading is deemed to have waived a hearing for the purpose of the decision, but not for the purpose of applying for rehearing with respect to the decision. If a person requests a hearing but does not show good cause, the commission may determine the matter without a hearing.

IV

On March 2, 2020, the Commission received a ND One-Call Complaint from Brian Reilly at Walsh Water Users, Inc. The complaint alleges a violation by NC3 of N.D.C.C. 49-23-04(1) of the One-Call Excavation Notice System by failing to provide an excavation notice to the NDOC Notification Center at least forty-eight hours before beginning its excavation.

V

On March 12, 2020, Commission staff issued a letter informing NC3 of Walsh's complaint filing, and requested a response by March 26, 2020, attached as Exhibit 1. As of August 31, 2020, the commission had not received a response, despite having spoken to Gary with NC3 on the phone on March 24, 2020 and leaving a voicemail on July 13, 2020.

VI

On September 26, 2019 NC3 personnel provided an excavation notice to the North Dakota One Call Notification Center (NDOC), with work to begin on October 1, 2019. The NDOC assigned locate ticket number 19134710 to the excavation notice, which indicates the work was installing fiber optic lines, attached as Exhibit 2. The excavation location cited in the notice started at a point in the Southwest corner of the intersection of US Hwy 81 and 71st St NE and moved in a southward direction. The expiration date for this excavation notice was October 22, 2019.

VII

As alleged by Walsh's complaint, on September 30, 2019 NC3 began an excavation as defined in N.C.C.C. 49-23-01(7) while performing fiber optic line installation

in the Northeast corner of the intersection of US Hwy 81 and 71st St NE, which is outside the excavation area cited in ticket 19134710. As a result of this excavation, damage was caused to Walsh's water line. Walsh alleges that the cost to repair its facilities was approximately \$2133.26.

VIII

NC3 violated N.D.C.C. 49-23-04(1) by failing to provide an excavation notice to the NDOC Notification Center at least forty-eight hours before beginning its excavation.

IX

The Commission Damage Prevention Plan provides:

D PROPOSED CIVIL PENALTIES:

1. The following criteria must be used by Commission staff to determine if a civil penalty should be proposed when filing a formal complaint:
 - a. The nature, circumstances and severity of the complaint;
 - b. The degree of suspected fault on the part of the respondent;
 - c. The respondent's history of prior violations or complaints;
 - d. The respondent's ability to pay;
 - e. Any good faith effort by the respondent in attempting to achieve compliance; and
 - f. The effect the penalty may have on the respondent's ability to continue in business.

X

The Respondent must serve an answer to this complaint upon the Complainant and the Commission within twenty days after service of the complaint, or the Commission may deem the complaint to be admitted. Answers must be served in the manner allowed for service under the North Dakota Rules of Civil Procedure.

Prayer for Relief

Based on the foregoing, Staff seeks the following relief:

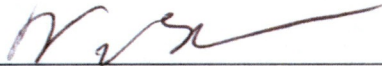

1. That the Commission find NC3, LLC in violation of N.D.C.C. chapter 49-23 for failing to comply with the One Call requirements enumerated in North Dakota Century Code section 49-23-04(1).
2. That the Commission impose an appropriate civil penalty up to \$25,000, but at least \$1000.
3. Such other relief that the Commission finds just and proper.

Re: ND One-Call Excavation Notice System: North Dakota Century Code Chapter 49-23

To Whom it may concern:

Enclosed is a copy of a ND One-Call Complaint, against NC3, LLC, received by the North Dakota Public Service Commission on March 2, 3030, from Brian Reilly at Walsh Rural Water District, of Grafton, ND, Case Number PU-20-096. The location of the damage identified in the complaint is near the intersection of Highway 80 and 70th St NE, Grafton, ND.

I am sending you this information so that you are aware of the complaint and may respond with information concerning the complaint. **Please respond to Executive Secretary, North Dakota Public Service Commission, 600 East Boulevard Avenue, Dept 408, Bismarck, ND 58505-0480 by March 26, 2020**, with your written account of the event, including the applicable One Call locate ticket number for work performed at the address indicated.

Your response and the ND One-Call Complaint will be reviewed to determine whether there may be a violation of the One-Call Excavation Notice System law.

If I do not receive a response by the date noted, I will determine whether there was a violation, without your side of the story, based on the facts contained in this complaint. If I conclude a violation did occur I will file a formal complaint against NC3, LLC with the Commission, which may result in a penalty up to \$25,000 per violation as approved by the North Dakota Legislative Assembly in 2013 under North Dakota Century Code Section 49-07-01.1.

Please contact me at 701-328-3397 or at vschock@nd.gov with any questions regarding this correspondence.
