RE: Case No. PU-1225-03-600

Dear Commissioners:

In compliance with the North Dakota Public Service Commission's order in the above referenced case, I am providing this service quality report on Badlands Cellular of North Dakota Limited Partnership's ("ND4 LP") ongoing efforts to implement E911 service during the 1st quarter 2020. To date, there have been no additional Phase I or Phase II requests for E911 service for the counties that make up ND4 LP's designated service area.

Please contact me at 423-202-9771 if you have questions or need additional information relating to this filing.

Sincerely,

Linda Stevens
