RE: Case No. PU-20-247, Docket #45  
OE2 North LLC  
8" NGL & 20" Residue Gas Pipelines - Williams Cnty

Thank you for your September 2, 2020 letter notifying the Commission of OE2 North, LLC's intent to adjust the route of the 20-inch residue gas pipeline outside the corridor designated by the Commission in Williams County, North Dakota, and by no longer than 1,196 feet.

Per North Dakota Century Code section 49-22.1-15(3), please file supporting documentation showing that each owner of real property on which the route adjustment is to be located and any applicable government entity with an interest in the same adjustment do not oppose the adjustment. Second, file copies of all field studies and surveys for the pipeline segment outside the designated corridor indicating exclusion and avoidance areas and supporting that no known exclusion or avoidance areas will be affected by construction activities. Third, file copies of correspondence with the North Dakota State Historic Preservation Office regarding the reroute. Fourth, file a complete written certification and supporting documentation pursuant to North Dakota Century Code section 49-22.1-15(3) for the entire pipeline route adjustment, including the portion of the pipeline reroute within the designated corridor.

This letter is to acknowledge that the Commission received OE2 North, LLC's filing of

written certifications under North Dakota Century Code section 49-22.1-15(3) for the route adjustment; however, the Commission is requesting additional information per the certification requirements.

Best regards,

A handwritten signature in blue ink, appearing to read 'AR', is positioned above the typed name.
