Dear Ms. Harms:

This letter is in follow-up to our July 16, 2020 electronic mail correspondence stating that Leonardite Products, LLC's July 14, 2020 response had addressed the items identified in our June 29, 2020 completeness review letter for the applications of Revision No. 9 and Renewal No. 3 to Permit GRGR-0501 at the Stony Creek Mine. The Reclamation Division deemed the applications complete and granted Leonardite Products, LLC approval to begin publishing the newspaper notice in the Williston Herald that began July 22, 2020 for four consecutive weeks that will end August 12, 2020. Please submit the affidavits of publication when complete as required by NDCC 38-14.1-18(1).

Please contact us with any questions.

Sincerely,
