NOTICE OF PERMIT REVISION APPROVAL

October 21,2020

Preliminary Statement

On June 4, 2020, Leonardite Products, LLC filed the application for Revision No. 9 to Surface Coal Mining Permit No. GRGR-0501 to identify the next five-year commercial leonardite removal subarea and to update the legal, environmental resources, operation, and reclamation permit sections for the next five-year permit term which expires November 2, 2025.

The Commission has completed its review of the revision application and approved the revision. The revision will give Leonardite Products, LLC the right to modify the mining and reclamation plans in Permit No. GRGR-0501 as described in Revision No. 9.

Notice
