On 7/16/2020, two employees of Tim W Olson Construction, Inc. were on location (information provided on locate ticket #20089050 and #20089174). Kinder Morgan locator Ryan Farmer arrived on location between 10:00 and 11:00 am. He proceeded to mark a line which he indicated was the KM line. He did not communicate with the Olson Construction employees. He then left the location.

Mr. Farmer then called our office and informed us that the line was all clear. He reminded us that Kinder Morgan needed to be on location while cutting. It was our understanding that since he was on location that we were all clear.
