Subject: RE: Case No. PU-20-356, Nodak v. OTP -Joint Stipulation for Continuance

Due to the stipulation being signed by the Public Service Commission Counsel, the effect under the rule below is that the Commission has granted a continuance for the hearing scheduled on Tuesday, December 8, 2020.

69-02-04-03. Continuance.

After hearings are scheduled, continuances may be granted by the commission for good cause. A motion for continuance must be in writing, unless made at the commencement of a hearing, and must be filed with the commission, and served on each party. The motion must be made as far in advance of the date fixed for hearing as possible. The commission may effect a continuance upon its own motion. When a substantive hearing officer is designated, the substantive hearing officer may rule on continuances unless the commission directs otherwise.

Subject: Case No. PU-20-356, Nodak v. OTP -Joint Stipulation for Continuance

Judge Dawson,

Attached is a stipulation to continue the hearing for Nodak Electric Cooperative v. Otter Tail Power Company, complaint, scheduled for Tuesday, December 8, 2020. I have consulted with the Commission and there should be no issues with a continuance.

The Commission would request that an informal conference be held soon to expedite the process.

Thank you,

John M. Schuh
