Preliminary Statement

On August 23, 2006, in Case No. PU-06-312, the Commission issued Corridor Certificate No. 92 and Route Permit No. 102 to FPL Energy Oliver County Wind, LLC for construction of approximately 542 feet of 230 kV electric transmission line in Oliver County, ND.

On October 8, 2008, as corrected on September 21, 2016, in Case No. PU-08-241, the Commission adopted an Order approving the transfer of the certificate and permit from FPL Energy Oliver County Wind, LLC to FPL Energy Oliver Wind I, LLC.

On August 26, 2020, the Commission issued a Notice of Opportunity for Hearing, which provided until September 30, 2020, for receiving written comments or hearing requests. No comments or hearing requests were received. The Notice identified that the issues to be considered in this matter are:
