RE: Response to MDU's Compliance Filing  
Case No. PU-20-379

On May 7, 2021, Montana-Dakota Utilities Co. (MDU) filed natural gas tariffs and rates, in compliance with the Commission's Order issued May 5, 2021. Staff has reviewed the filing to ensure that the new tariffs and rates will increase annual revenues by approximately \$6.9 million in compliance with the Settlement Agreement and Commission Order and that changes in the tariff language are reasonable and appropriate. MDU's filing complies with the Commission's Order.

Attached is a proposed Motion to approve the tariffs and rates.
