**RE: NuStar Pipeline Operating Partnership L.P.
10" North System Pipeline Relocation – Cass County
Case No. PU-20-381**

Dear Mr. Kahl:

Enclosed for filing in the above-referenced docket are an original and ten (10) copies of this letter and updated Corridor Exclusion and Avoidance Area Maps for Appendix A to NuStar Pipeline Operating Partnership L.P.'s Combined Application for a Certificate of Corridor Compatibility and Route Permit ("Combined Application"). It was recently determined that the version of the Corridor Exclusion and Avoidance Area Maps provided in Appendix A to the Combined Application did not depict the current locations of additional temporary workspace and HDD entry/exit bore locations, and that information has been updated on the enclosed maps. The associated updated GIS data is also provided on the enclosed flash drive.

If you have any questions, please let me know.

Sincerely,

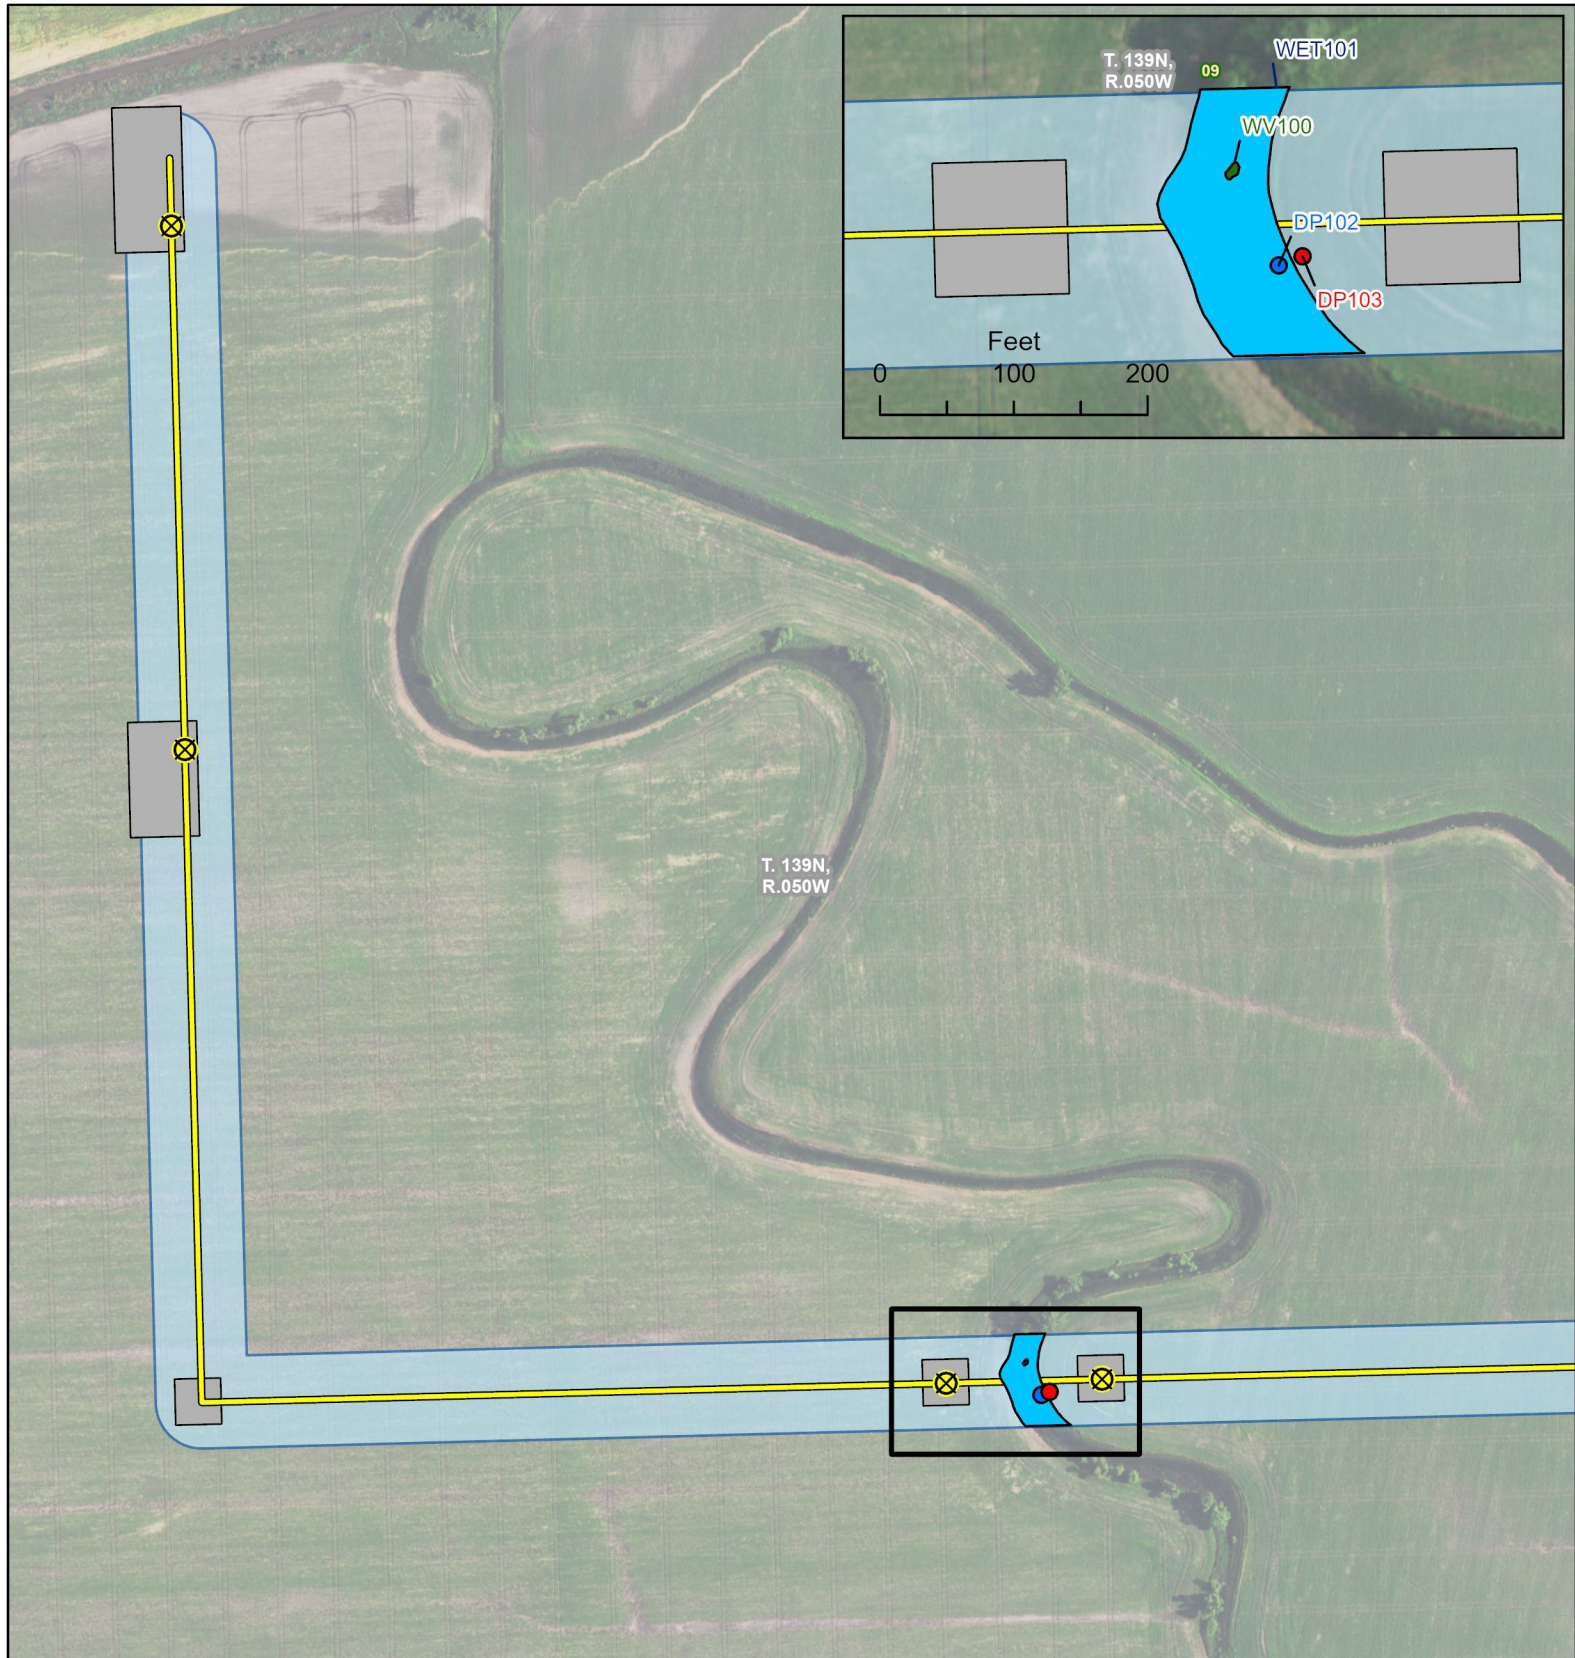

MOLLIE M. SMITH

MMS/71140557
