RE: NuStar Refined Products Pipeline / PU-20-381  
OAH File No. 20200330

Dear Mr. Hamre:

Enclosed please find an Amended Exhibit List for the NuStar Pipeline Operating Partnership L.P. (NuStar) matter that was held in accordance with the Notice of Filing and Notice of Hearing on November 23, 2020, through electronic means originating from the Public Service Commission hearing room, State Capitol, Bismarck, North Dakota.

The record was left open for comments by the public received by email or postal service through November 30, 2020. There was no written public testimony so there is no need to have the description of Public Testimony placed on the Exhibit List as Exhibit 12. In error, the Mapleton Township Floodplain Permit marked as Exhibit 12 was placed under the description of Public Testimony. The description of Public Testimony has been changed to Mapleton Township Floodplain Permit in the enclosed Amended Exhibit List to properly describe the exhibit.

Sincerely,

A handwritten signature in blue ink, consisting of stylized initials and a surname, enclosed within a hand-drawn blue oval.
