Re: Case No. PU-20-383
Otter Tail Power Company
Transmission Facility Cost Recovery (2021)
Rates

Dear Ms. Wolters:

The Commission received a check in the amount of \$10,000 from Otter Tail Power Company (OTP) for the application fee in the above captioned case.

Under to N.D.C.C. Chapter 49-05, Section 49-03-04 Application for increase of rates – Information required – Fee; an application fee is required only with an application for an increase in rates. Since OTP's filing is for a decrease in rates, no application fee is required, and the check is being returned. However, a \$50 fee will be taken out of OTP's pre-filed filing fee account.

Please contact me if you have any questions at 701-328-4077.

Best Regards,

Patrick Fahn, Director
Public Utilities Division
