**ORDER ON CONSENT AGREEMENT**

**August 4, 2021**

**Preliminary Statement**

On August 31, 2020, the Commission received a ND One-Call Complaint (Complaint) from Gudajtes Farms alleging a violation by CenturyLink Communications, LLC (CenturyLink) of North Dakota Century Code (NDCC) chapter 49-23: One-Call Excavation Notice System.

On September 10, 2020, the Commission sent a letter to CenturyLink enclosing the August 31, 2020 Complaint, requesting a response by September 24, 2020.

On September 22, 2020, CenturyLink filed a response to the Complaint.

On September 28, 2020, Gudajtes Family Farm/TKC Construction, LLC (Gudajtes) filed a response to CenturyLink's September 22, 2020, response.

On June 24, 2021, a Consent Agreement between Public Service Commission Advocacy Staff (Advocacy) and CenturyLink Communications, LLC was filed for the resolution of the Complaint.

**Discussion**

CenturyLink Communications, LLC is a foreign limited liability company with a principal address of 100 CenturyLink Drive, Monroe, LA 71203.

The Complaint alleges a violation by CenturyLink of North Dakota Century Code (NDCC) section 49-23-04(6)(a) by failing to locate and mark its underground facility within the location period.

On August 12, 2020 Gudajtes personnel provided an excavation notice to the North Dakota One Call Notification Center (NDOC), with work to begin on August 15,

2020. The NDOC assigned locate ticket number 20109587 to the excavation notice, which indicates the work was mole plow tiling in the SE ¼ of section 25, Township – 156N, Range – 52W, near Warsaw, ND.

On August 18, 2020 at approximately 6:30pm CenturyLink submitted a positive response on ticket 20109587, indicating that its facilities had been marked. The due date for marking facilities on this ticket was August 15, 2020 at 12:01 am. The facilities were marked three days later than what is required in NDCC section 49-23-04(6)(a). No damage resulted from the excavation.

NDCC section 49-23-04(6)(a) states “An operator with underground facilities within the area of a location request shall locate and mark or otherwise provide the approximate horizontal location of the underground facilities of the operator within the location period or as agreed by the parties.”

Advocacy Staff concluded that CenturyLink violated NDCC section 49-23-04(6)(a).

CenturyLink and Advocacy Staff engaged in good faith settlement discussions resulting in a Consent Agreement intended to avoid further administrative proceedings or litigation.

Under the Consent Agreement, CenturyLink agrees to be assessed a civil penalty of \$6,000 payable to the North Dakota Public Service Commission within ten business days of service of an Order approving the Consent Agreement.

Having considered this matter, the Commission finds the June 24, 2021 Consent Agreement is reasonable and acceptable. Therefore, the Commission issues the following:

### **Order**

The Commission Orders:

1. The Consent Agreement, filed on June 24, 2021, between CenturyLink Communications, LLC and Advocacy Staff is approved. A copy of the Consent Agreement is attached to and made a part of this Order on Consent Agreement (Order).
2. CenturyLink Communications, LLC is assessed a civil penalty of \$6,000.

3. CenturyLink Communications, LLC shall remit \$6,000 civil penalty, payable to the North Dakota Public Service Commission, within ten business days of service of this Order.
