

MEMORANDUM

TO: Steven M. Kahl, Executive Secretary
FROM: John M. Schuh
DATE: September 17, 2020
RE: Closure of Case No. PU-20-397

On September 17, 2020, the Commission held a work session to discuss moving forward with the promulgation of administrative rules related to light mitigation technology. During discussion, the Commission gave direction to proceed with legislation, but no longer to proceed with the rulemaking.

As a result, I recommend the case be closed.
