**In re: Notice of Implementation
 Aircraft Detection Lighting System Update
 Langdon Renewables, LLC
 Langdon Wind Energy Center
 Case Nos. PU-20-413; PU-18-336; and PU-07-026
 Our File No. 035218-000043**

Dear Mr. Fahn:

I am writing on behalf of Langdon Renewables, LLC (“Langdon Renewables”) regarding your August 2, 2021 correspondence requesting monthly status updates regarding Aircraft Detection Lighting System (“ADLS”) installation at the Langdon Wind Energy Center located in Cavalier County, North Dakota. On October 5, 2021, Langdon Renewables filed an update in response to your request. Since the October 5 filing, the ADLS has been implemented at the facility.

In accordance with North Dakota Administrative Code § 69-06-11-02(5), Langdon Renewables hereby provides written notice to the Commission that it has implemented the facility’s ADLS in compliance with North Dakota Administrative Code Chapter 69-06-11, governing wind energy conversation facility lighting systems. Langdon Renewables and its ADLS vendor will continue fine-tuning and optimizing system performance.

For ease of reference and to promote consistency in docketing, Langdon Renewables respectfully requests this filing be docketed in Case No. PU-20-413 in addition to Case Nos. PU-18-336 and PU-07-026 consistent with the above-referenced caption.

Please feel free to contact me with any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "Casey A. Furey", with a long horizontal flourish extending to the right.

Casey A. Furey
