vs.)	PU-20-424
)	
Central Trenching, Inc.,)	CONSENT AGREEMENT
Respondent .)	

Preliminary Statement

This Consent Agreement is entered into by and between Central Trenching, Inc. (Central) and the Public Service Commission Advocacy Staff (Staff) (together, the "Parties") for resolution of Docket Nos. PU-20-377 and PU-20-424.

Case No. PU-20-377: On August 24, 2020, the Commission received a ND One-Call Complaint from Montana-Dakota Utilities Co. (MDU). The complaint alleged a violation by Central of North Dakota Century Code (NDCC) section 49-23-05(5) for failure to conduct its excavation in a careful and prudent manner.

On August 25, 2020, Commission staff issued a letter informing Central of MDU's complaint filing and requested a response by September 8, 2020. Central's August 31, 2020 response asserted that their excavation initially hit a Northern States Power Company power line, which caused power to go through the bore rod and arc through MDU's natural gas line causing a fire.

On June 12, 2020 Central personnel provided an excavation notice to the North Dakota One Call Notification Center (NDOC), with work to begin on June 17, 2020. The NDOC assigned locate ticket number 20066266 to the excavation notice, which indicates the work was installing fiber optic cable at 612 Burdick Expressway E, Minot, ND. The expiration date for the ticket was July 8, 2020.

On June 30, 2020, Central began an excavation as defined in NDCC section 49-23-01(7) while performing installation of fiber optic cable at the location cited in the excavation notice. As a result of the excavation MDU's 2" natural gas main line was damaged impacting two customers. MDU alleges the cost to repair the line was approximately \$5,000.

Case No. PU-20-424: On October 12, 2020, the Commission received a ND One-Call Complaint from MDU. The complaint alleged a violation by Central of NDCC section 49-23-05(5) for failure to conduct its excavation in a careful and prudent manner.

On October 14, 2020, Commission staff issued a letter informing Central of MDU's complaint filing and requested a response by October 28, 2020. Central's October 20, 2020 response did not dispute that Central failed to conduct its excavation in a careful and prudent manner.

On September 9, 2020 Central personnel provided an excavation notice to the NDOC, with work to begin on September 12, 2020. The NDOC assigned locate ticket number 20128066 to the excavation notice, which indicates the work was installing fiber optic cable at 406 1st Ave, Burlington, ND. The expiration date for the ticket was October 3, 2020.

On September 18, 2020, Central began an excavation as defined in NDCC section 49-23-01(7) while performing installation of fiber optic cable at the location cited in the excavation notice. As a result of the excavation MDU's 3/4" natural gas service line was damaged impacting one customer. MDU alleges the cost to repair the line was approximately \$1,500.

NDCC section 49-23-05(5) provides that to avoid damage and to minimize interference a ticket holder shall "Conduct the excavation in a careful and prudent manner".

Having investigated the alleged violation, Staff believes that Central violated NDCC section 49-23-05(5) in Case Nos. PU-20-377 and PU-20-434.

Central and Staff engaged in good faith settlement discussions resulting in this Consent Agreement. Having agreed that settlement of this proceeding will avoid further administrative proceedings or litigation and that entry of this Consent Agreement is the most appropriate means of resolving this administrative action, Staff and Central agree to the following, subject to the approval and acceptance of the Commission:

1. Central violated NDCC section 49-23-05(5) in Case Nos. PU-20-377 and PU-20-424 by failing to conduct its excavations in a careful and prudent manner.
2. Central agrees to be assessed a civil penalty of \$1,100 in Case No. PU-20-377, and \$1,000 in Case No. PU-20-424 for a total of \$2,100. Central agrees to remit \$1,050 of the \$2,100, payable to the North Dakota Public Service Commission within ten business days of service of an Order accepting or approving the Consent Agreement (Order). The remaining \$1,050 civil penalty is suspended on

- the condition that Central commits no further violation of NDCC section 49-23 within five years of the date of the Order.
3. In the event the Commission finds Central violated the NDCC section 49-23 within five years of the date of the Order, Central shall remit the suspended portion of the penalty, within the time ordered by the Commission, in addition to any additional fines or penalties imposed for the subsequent violation.
 4. If within five years of the date of the Order there is no subsequent violation of the NDCC section 49-23 by Central, the remaining \$1,050 penalty is withdrawn.
 5. Staff agrees no other proceeding will be initiated and no other remedy or penalty will be sought based on the violation alleged in the Case.
 6. Central consents to the filing of the Consent Agreement and an Order and hereby waives any further procedural requirements with respect to the Order's issuance. Provided the Public Service Commission adopts this Consent Agreement and issues an Order consistent with it, Central understands and agrees to waive all rights to contest the violation, the right to be represented by counsel, the right to present evidence and arguments to the Commission, the right to cross examine witnesses, or contest the validity of this Consent Agreement and Order, including all rights to administrative or judicial hearings or appeals.
 7. There are no covenants, promises, undertakings, or understandings other than specifically set forth in this Consent Agreement and Order.

8. This agreement may be executed in counterparts and duplicate copies, each which shall be deemed to be an original, and which, when taken together, shall constitute one and the same instrument.
9. The undersigned is authorized to act on behalf of Central and bind Central for purposes of this Consent Agreement and knows and fully understands the content and effect.
