Re: Construction of 8 inch Pipeline

Hello Mr. Veeder:

We are getting ready to begin construction on the 8-inch pipeline crossing your property in Township 150, Range 95, sections 19 and 30, and Township 150, Range 96, section 25.

As required by the Public Service Commission we are sending you this letter to specify the name and contact number of our company's representative who is responsible for receiving and resolving landowner issues for the life of the easement.

At the current time and for the foreseeable future that person will be Tom Litman, Land Supervisor with Bridger Pipeline, LLC. Tom can be reached at the phone numbers or email listed below.

Thank you again for participating in this project. Should you have any questions, please contact me by phone at (307) 266-0289 (office), (307) 262-3355 (cell) or by e-mail at tom.litman@truecos.com.

Sincerely,

Tom Litman
