RE: COMPLIANCE FILING- ERRATA
CASE NO. PU-20-441

Dear Mr. Kahl:

On March 12, 2021, Northern States Power Company, doing business as Xcel Energy, filed its application for authority to decrease interim electric rates that had been in effect since January 5, 2021 in North Dakota. In a special commission meeting held on March 19, 2021, the North Dakota Public Service Commission approved the interim rate revision in its ORDER ON INTERIM RATES. On April 9, 2021 the Company filed compliance tariffs reflecting the revision.

On April 1, 2021 the adjusted interim rate of 9.36% was correctly implemented. Since then, we noticed that we inadvertently missed updating the rate on Sheet 5-91 of the interim rate surcharge included in the April 9, 2021 compliance filing, and we provide the corrected sheet below. Enclosed are an original and two additional copies of the corrected tariff.

I apologize for any inconvenience. If you have any questions, please contact me.

SINCERELY,
