1 **I. INTRODUCTION**

2

3 Q. PLEASE STATE YOUR NAME AND QUALIFICATIONS.

4 A. My name is Nicholas N. Paluck, and I am a Rate Consultant.

5

6 Q. HAVE YOU PREVIOUSLY PROVIDED TESTIMONY IN THIS PROCEEDING?

7 A. Yes. I filed Direct Testimony on behalf of Northern States Power Company
8 regarding the Company's proposed rate-revenue analysis, the class-revenue
9 responsibility, rate design, proposed rate schedules, and tariffs.

10

11 Q. DID ANY INTERVENORS PROVIDE DIRECT TESTIMONY REGARDING CLASS-
12 REVENUE ANALYSIS?

13 A. Yes. Mr. Karl R. Pavlovic, who submitted testimony on behalf of the North
14 Dakota Public Service Commission Advocacy Staff, provides a distribution cost
15 allocation recommendation that differs from Company Witness Mr. Michael A.
16 Peppin's Class Cost of Service Study (CCOSS).

17

18 Q. WHAT IS THE PURPOSE OF YOUR REBUTTAL TESTIMONY?

19 A. I reaffirm the use of Mr. Peppin's CCOSS as a basis for the class-revenue
20 responsibility and reject Mr. Pavlovic's recommendation to move from the
21 established Minimum System distribution cost allocation method to the
22 Demand Only cost allocation method.

1 demand requirements. The Minimum System method thus properly allocates
2 cost caused by each customer class.

3
4 Q. DOES THE USE OF THE MINIMUM SYSTEM ALLOCATION METHOD RESULT IN
5 JUST AND REASONABLE RATES?

6 A. Yes. The Minimum System method allocates cost to each customer class that
7 causes the distribution cost. Since the class-revenue apportionment I proposed
8 in Direct Testimony was based on Mr. Peppin's Class Cost of Service Study, the
9 resulting rates are just and reasonable.

10
11 **III. CONCLUSION**

12
13 Q. PLEASE SUMMARIZE YOUR TESTIMONY.

14 A. The Minimum System cost allocation method employed by Mr. Peppin properly
15 allocates distribution cost whereas the Demand Only allocation method
16 proposed by Mr. Pavlovic does not. Therefore, I continue to recommend the
17 class-revenue apportionment be based on the CCOSS presented in Mr. Peppin's
18 Direct Testimony.

19
20 Q. DOES THIS CONCLUDE YOUR REBUTTAL TESTIMONY?

21 A. Yes, it does.
