**Re: Revised PU-21-007 Non-Voluntary Disconnect Report March 2021**

Great Plains Natural Gas Co., a Division of Montana-Dakota Utilities Co., electronically submits this Revised Non-Voluntary Disconnect Report for March 2021. This Revised March 2021 report replaces the previously filed report submitted on April 8, 2021, which inadvertently failed to report all customers disconnected in March 2021.

Great Plains respectfully requests this electronic filing, in lieu of an original and two physical copies, be accepted as being in full compliance with the filing requirements of this Commission and replaces the previously submitted March 2021 report in its entirety.

If you have any questions, please contact me at (701) 222-7855.

Sincerely,
