RE: COST OF GAS RIDER CHANGE
CASE NO. PU-21-9

Dear Mr. Kahl:

Northern States Power Company, doing business as Xcel Energy, is filing this Cost of Gas (COG) for gas used on and after September 1, 2021 in North Dakota. The attached schedules show the new gas cost supporting worksheets and applicable pipeline tariff sheets. Pursuant to the North Dakota Public Service Commission's June 29, 2021 decision in Case Nos. PU-21-9 and PU-21-102, the February Event COG true-up factors will be implemented for all retail natural gas sales customer classes during the months of July 2021 through September 2022. The Company provides a separate true-up line for this special February Event true-up rate in the monthly COG filings.

The net effect of the COG is an increase to the Residential rate by \$0.053261 per therm from the August COG rate, 4.53%, or \$0.80 for a typical September North Dakota Residential customer using 15 therms. Compared to August, the Commercial/Industrial price is 7.27% higher and the Interruptible prices are 7.54-8.05% higher. The increase is driven by an increase in annual true-up factors effective on September 1st, as well as increased commodity costs. The commodity costs increased due to below normal storage injections and increased gas fired generation due to continue above normal temperatures.

The 2020 – 2021 Annual True-up of Gas Costs and Automatic Annual Adjustment report are being filed with the North Dakota Public Service Commission on September 1, 2021. The true-up factors are higher for all classes, mainly due to high

gas costs in February 2021 during the extended cold weather experienced across much of the nation.

The cost-of-gas rates for September are as follows:

<u>Customer Class</u>	<u>\$/therm</u>
Residential	\$1.22842
Commercial/Industrial	\$0.74086
Small Interruptible	\$0.54275
Large Interruptible	\$0.54275

Please contact Hui Chen at hui.chen@xcelenergy.com or (612) 330-6749, or me at lisa.r.peterson@xcelenergy.com or (612) 330-7681 if you have questions regarding this filing.

Sincerely,

/s/
