ND State Public Service Commission  
600 East Boulevard, Dept. 408  
Bismarck, ND 58505

**RE: Revision 11 to Permit NACC-1302**

Dear Mr. Moos:

Enclosed are two USB flash drives comprising Revision 11 to Permit NACC-1302 along with the application form for the revision.

Revision 11 adds information to mine the SE $\frac{1}{4}$  of Section 23, T143N, R89W as well as two federal coal tracts located in the SW $\frac{1}{4}$  of Section 24 and the SE $\frac{1}{4}$  of Section 26, T143N, R89W. The Federal Coal Lease for these two tracts was obtained by Coyote Creek Mine in the 4th quarter of 2020. Areas updated include the surface and coal ownership information, operations plans, post-mining topography, worst case bonding costs, and surface water management for the addition of five ponds.

If you have any questions regarding the enclosed materials or require additional information, please advise.

Sincerely,

**THE COYOTE CREEK MINING COMPANY**

Jeremy Eckroth  
Environmental Manager
