In re: Bridger Pipeline LLC
16-inch South Bend Crude Oil Pipeline
Amended Siting Application
Case No. PU-21-048
Our File No. 016265-000018

Dear Mr. Kahl:

Enclosed for filing please find the following:

1) Replacement Exhibit A to Bridger Pipeline LLC's Amended Consolidated Application for a Certificate of Corridor Compatibility and Route Permit in McKenzie and Golden Valley Counties, North Dakota (5 hard copies); and

2) Affidavit of Service by Mail serving McKenzie County and Golden Valley County Auditors with Replacement Exhibit A (5 hard copies).

On March 10, 2022, Bridger Pipeline LLC ("Bridger") submitted an Amended Consolidated Application for a Certificate of Corridor Compatibility and Route Permit filed as Docket No. 9. The above-referenced project route was incorrectly depicted in pages 1, 2, and 19-23 of both map sets within Exhibit A. This issue is corrected in the enclosed filing. The Replacement Exhibit A substitutes and replaces the existing Exhibit A maps in their entirety. Please be advised that the project route is accurately depicted in the electronic file that has been docketed and the issue only exists in the hard copies.

Please feel free to contact me if you have any questions. Thank you.

Sincerely,

Casey A. Furey
