**RE: Bridger Pipeline LLC
16-inch Crude Oil Pipeline-McKenzie/Golden Valley
As-Built Inspection Report
Case No. PU-21-48**

Dear Ms. Furey:

The North Dakota Public Service Commission retained a third-party inspector to conduct an as-built construction inspection in the above-captioned case.

An URL to the as-built construction report (Report) can be found at:

<https://apps.psc.nd.gov/webapps/cases/psdocketdetail?getId=21&getId2=48&getId3=86>

Upon review of the Report, please file with the Commission how Bridger Pipeline LLC plans to address each of the recommendations listed in section four of the Report.

Request for information
Public Service Commission
Adam Renfandt

Please also file with the Commission both an electronic and a paper copy of the corridor approved by the Commission and the facility design specifications for the construction of the facility, showing the location of the transmission facility as built in the format detailed in Order Provision No. 33 to Certification Relating to Order Provisions – Transmission Facility Siting, that is attached to the June 8, 2022, Findings of Fact, Conclusions of Law and Order (Case No. PU-21-48).

Please also file with the Commission a copy of Bridger LLC's North Dakota Pollutant Discharge Elimination System General Permit.

Please also identify Bridger LLC's compliance with performing a third-party audit of control room operations regarding leak detection concerns also listed in section four of the recommendations.

Please provide details on the submission of the Tree and Shrub Mitigation Plan also listed in section four of the recommendations.

Please respond within 30 days.

If you have any questions regarding this letter, please contact me at 701-328-4153.

Sincerely,

Adam Renfandt
