NOTICE OF OPPORTUNITY FOR HEARING

February 17, 2021

On January 28, 2021, MLGC, LLC (MLGC) filed, an application for designation as an eligible telecommunications carrier (ETC) for the purpose of receiving Federal Communications Commission's Rural Digital Opportunity Fund Phase I funding in Federal Communications Commission (FCC) specified census blocks in rural areas of North Dakota. The FCC requires that MLGC be designated as an ETC by June 7, 2021.

The issues to be considered in this matter are:

1. Is the applicant qualified under the Telecommunications Act of 1996, Section 214(e) for designation as an ETC eligible to receive federal universal service funding?
2. What ETC universal service support area should be designated?
3. Is designation of the applicant as an ETC in the public interest?

Those interested are invited to comment on the application in writing. Persons desiring a hearing must file a written request identifying their interest in the proceeding and the reasons for requesting a hearing. **Comments and requests for hearings must be received by March 29, 2021.** If deemed appropriate, the Commission can determine the matter without a formal hearing.
