Preliminary Statement

This Consent Agreement is entered into by and between Austin Broden (Mr. Broden) and the Public Service Commission Advocacy Staff (Staff) (together, the "Parties") for resolution of Docket No. PU-21-56.

On January 28, 2021, the Commission received a ND One-Call Complaint from CHS Inc. (CHS). The complaint alleged a violation by Mr. Broden of North Dakota Century Code (NDCC) section 49-23-04(1) by failing to provide an excavation or location notice before beginning any excavation.

On February 4, 2021, Commission staff issued a letter informing Mr. Broden of CHS's complaint filing and requested a response by February 18, 2021. Mr. Broden's June 30, 2021 response agreed that he did not have a valid location notice prior to beginning his excavation.

On December 9, 2020, Mr. Broden began an excavation as defined in NDCC section 49-23-01(7) while performing drain tile installation at latitude 47.0006021,

longitude 97.183764, near Fargo, ND. There is no evidence of Mr. Broden contacting the North Dakota One Call Notification Center prior to beginning this excavation. No damage resulted from Mr. Broden's excavation.

NDCC section 49-23-04(1) states that except in an emergency, an excavator shall contact the notification center and provide an excavation or location notice before beginning any excavation. An excavation begins the first time excavation occurs in an area that was not previously identified by the excavator in an excavation notice.

Having investigated the alleged violation, Staff believes that Mr. Broden violated NDCC section 49-23-04(1).

Mr. Broden and Staff engaged in good faith settlement discussions resulting in this Consent Agreement. Having agreed that settlement of this proceeding will avoid further administrative proceedings or litigation and that entry of this Consent Agreement is the most appropriate means of resolving this administrative action, Staff and Mr. Broden agree to the following, subject to the approval and acceptance of the Commission:

1. Mr. Broden violated NDCC section 49-23-04(1) by failing to provide an excavation or location notice before beginning any excavation.
2. Mr. Broden agrees to be assessed a civil penalty of \$500. Mr. Broden agrees to remit \$250 of the \$500, payable to the North Dakota Public Service Commission within ten business days of service of an Order accepting or approving the Consent Agreement (Order). The remaining \$250 civil penalty is suspended on the condition that Mr. Broden commits no further violation of NDCC section 49-23 within five years of the date of the Order

3. In the event the Commission finds Mr. Broden violated the NDCC section 49-23 within five years of the date of the Order, Mr. Broden shall remit the suspended portion of the penalty, within the time ordered by the Commission, in addition to any additional fines or penalties imposed for the subsequent violation.
4. If within five years of the date of the Order there is no subsequent violation of the NDCC section 49-23 by Mr. Broden, the remaining \$250 penalty is withdrawn.
5. Staff agrees no other proceeding will be initiated and no other remedy or penalty will be sought based on the violation alleged in the Case.
6. Mr. Broden consents to the filing of the Consent Agreement and an Order and hereby waives any further procedural requirements with respect to the Order's issuance. Provided the Public Service Commission adopts this Consent Agreement and issues an Order consistent with it, Mr. Broden understands and agrees to waive all rights to contest the violation, the right to be represented by counsel, the right to present evidence and arguments to the Commission, the right to cross examine witnesses, or contest the validity of this Consent Agreement and Order, including all rights to administrative or judicial hearings or appeals.
7. There are no covenants, promises, undertakings, or understandings other than specifically set forth in this Consent Agreement and Order.
8. This agreement may be executed in counterparts and duplicate copies, each which shall be deemed to be an original, and which, when taken together, shall constitute one and the same instrument.

9. The undersigned is authorized to act on behalf of Mr. Broden and bind Mr. Broden for purposes of this Consent Agreement and knows and fully understands the content and effect.
