RE: Revision 17 to Permit BNCR-9401

Dear Mr. Moos,

This submittal contains a response to your midterm review letter to us dated March 31, 2021. In this letter you listed a completeness deficiency that must be addressed before the Revision 17 application to BNCR-8106 can be deemed complete. Below is a listing of the deficiency followed by our response:

Appendix 1-2 -Certified Copies of Leases and Assignment Documents

1. Follow-up to completeness item No. 7. Your response indicates that you have not received a copy of the approved lease. Please provide a copy of the lease if it is available, since copies of the Revision will be provided to the federal agencies. (PJR/BEB/ZAB)

A copy of the Federal Lease NDM 105513 has been added to Appendix 1-2. A copy of the recorded lease will be included once we receive it.

Thank you for your consideration of this matter. If you have any questions regarding this submittal, please contact me at the Center office.

Sincerely,

A handwritten signature in blue ink that reads "Karene M. Hall".
